

Time Zones 1 ExamView Unit 7**True/False**

Indicate whether the statement is true or false.

Read the information. Then read each sentence and decide if the statement is T (true) or F (false).

My cat, Myra, is very small and smart. She can't talk, but she listens very well. She understands nine or ten words. And Myra can do special things. For example, she sometimes jumps on the piano and plays music. When she's hungry, she asks me for food. She can't really speak, but I understand her. She can't paint a picture, but she looks great in photographs. Myra plays with my brother's dog all day. She can climb trees, too, and then she jumps down. Myra's a very special cat.

- _____ 1. Myra is a big cat.
- _____ 2. Myra can communicate.
- _____ 3. Myra can play the piano.
- _____ 4. Myra likes dogs.
- _____ 5. Myra often needs help to get out of trees.

Multiple Choice

Identify the choice that best completes the statement or answers the question.

Read the information. Then choose the best option to complete each sentence.

My favorite animal is a talking bird, the parrot. There are about 350 different types of parrots in the world. Parrots like to eat fruit and flowers, and some can live for 80 years. Not all parrots can talk, but the African gray parrot can speak very well. My parrot, Pierre, is 15 years old. He knows 50 words and can say about 10 sentences. Many people like pet parrots. Today, some types of parrots are endangered. For example, there are only about 3,000 hyacinth macaws in all of Brazil.

- _____ 6. A good title for this passage would be _____.
 - a. The World of African Gray Parrots
 - b. Birds That Can Talk
 - c. Pierre the Talking Parrot

Name: _____

ID: U
