Shot in the Dark

A. Put the verbs in brackets in the future continuous or future perfect tense.

B. Write the name of a classmate at the beginning of each statement that you think the prediction will come true for.

1. ..... will ..... (live) in a different place a year from now.
2. ..... will ..... (make) a phone call by 9 p.m. tonight.
3. ..... will ..... (wake up) at 7 a.m. tomorrow morning.
4. ..... will ..... (travel) the world by the time they are 50.
5. ..... will ..... (study) at 3 p.m. tomorrow.
6. ..... will ..... (get married) within the next ten years.
7. ..... will ..... (sleep) by 11 p.m. tonight.
8. ..... will ..... (make) something before the end of the week.
9. ..... will ..... (spend) time with friends on Friday night.
10. ..... will ..... (play) a sport by the end of the day.
11. ..... will ..... (watch) TV at 8 p.m. this evening.
12. ..... will ..... (work) as a model this time next year.
13. ..... will ..... (buy) some new clothes this month.
14. ..... will ..... (live) in a different country in five years.
15. ..... will ..... (clean) their bedroom this weekend.
16. ..... will ..... (exercise) by the time they sleep.
17. ..... will ..... (update) social media status by tonight.
18. ..... will ..... (meet) a friend after class.

C. Now, find out if your statements are true or are likely to become true by asking questions to your classmates, e.g. 'Craig, do you think you will be living in a different place a year from now?'
