

The NorthStar Listening and Speaking Placement Test

The test will last 55 minutes. There are four parts to the test: Parts 1–3 (50 minutes); Part 4 (5 minutes). The test is 9 pages. Read the directions for each section before you answer questions.

Answer every question. *Write all answers directly on the test.*

Make sure that you have written your name on each test page.

Listen to a passage. Then, you will have 20 seconds to answer each question. You will hear a beep when the next passage will begin.

PART 1A: LISTENING

- 1.1  Listen to the beginning of an interview. Choose the best prediction of what the rest of the interview is about. There is only one right answer.

- ____ A. the safety of video games for children
- ____ B. the use of video games to teach children
- ____ C. parents who are interested in children's video games
- ____ D. the number of studies about children's video games

- 1.2  Now listen to the entire interview. Use the information to choose the correct answers.

1. This interview is mainly about _____.
 - ____ A. how often children should play video games
 - ____ B. which video games are safe for children

PART 4: SPEAKING

► Listen to the class discussion. You may take notes in the space on the next page. Then, complete the three activities below.

1. Say one thing that the professor discussed with the class. (5–20 seconds)
2. Say one thing that the female student, Maria, thought about teenagers today. (5–20 seconds)
3. Now, you will have 1–2 minutes. Speak about whether the professor would agree or disagree with this statement and then give your opinion:

“A person speaks the way his or her parents do.”

- Include information from the listening.
- Explain why you think the professor agrees or disagrees.
- Give your opinion and support it with examples.

THIS IS THE END OF THE TEST.

**PLEASE WRITE YOUR NAME AND RETURN
THE TEST TO YOUR TEACHER.**
