### Timnas Indonesia U22 in the 2023 SEA Games

In May 2023, Timnas Indonesia U22 played in the SEA Games football tournament in Phnom Penh, Cambodia. It was one of the happies moments for Indonesian football fans.

In the group stage, Indonesia U22 was in Group A together with Myanmar, the Philippines, Timor-Leste, and Cambodia. Their first match was against the Philippines, and Indonesia won 3–0. After that, they faced Myanmar and won again with a score of 5–0. The third match was against Timor-Leste, and Indonesia won 3–0. In the last group match, they defeated the host Cambodia 2–1. These results made them qualify for the semifinal as group leaders.

In the semifinal, Timnas U22 met Vietnam. The match was very tough, but Indonesia managed to win 3–2 after scoring in the last minutes. That victory brought them to the final match against Thailand.

On the day of the final, the stadium was full of supporters. Indonesian fans sang and waved red and white flags. Indonesia U22 played with great spirit. After a dramatic match with extra time, Indonesia won 5–2. When the referee blew the final whistle, the players and coaches celebrated together on the field.

It was a historic moment because Indonesia U22 finally brought home the gold medal after 32 years. Many people in Indonesia felt proud and happy. That tournament became one of the most unforgettable sporting events for Timnas Indonesia.
