Backwards Designing your Unit of Study-
Seeing the Bigger Picture

Watch the video. Simone talks about preparing a unit of study about gender stereotypes in fairy tales. Match the step to the description of the planning process as described in the video.

STEP 1	Add can-do descriptors.
STEP 2	Plan the lesson plans.
STEP 3	Look through the coursebook.
STEP 4	Choose vocabulary and grammar based on what the students need to do.
STEP 5	Decide on the scenario, my students write a book of alternative fairy tales.
STEP 6	Decide on the summative assessment, write a fairy tale.
STEP 7	Choose the texts to teach, start with gender stereotypes in fairy tales.
STEP 8	Write the overview of the unit with a video, text, role play and writing a fairy tale.
