Ann: What about the **(3)**_____?
Mi: It has all the things we need: shopping malls, parks, and hospitals. And there's **(4)**_____ near our house.
Ann: Great! How're your new **(5)**_____?
Mi: They're nice. Last Sunday when I was looking for the way to the **(6)**_____, a lady came and showed me the way. I think we will **(7)** _____ them.
Ann: That **(8)**_____ me of the time our family moved to Viet Nam. We didn't know where to buy **(9)**_____for our house, and the new neighbours in the community gave us useful **(10)**_____. I guess you like your new place.
Mi: Sure. I really love where I live now.
