

SECTION A

Look at the words, then checklist only the materials and tools mentioned in the text.

HOW TO MAKE A BOWL OF VEGETABLE SALAD

Goal:

To make a fresh and healthy vegetable salad.

Materials:

- 1 cucumber
- 1 tomato
- 1 carrot
- A few lettuce leaves
- 1 tablespoon of olive oil
- A pinch of salt

Tools:

- A spoon
- A bowl
- A knife

Steps:

1. Wash all the vegetables with clean water.
2. Peel the carrot and cucumber.
3. Cut the cucumber, tomato, and carrot into thin slices.
4. Tear the lettuce leaves into small pieces.
5. Put all the vegetables into a large bowl.
6. Add one tablespoon of olive oil and a pinch of salt.
7. Mix the vegetables gently with a spoon.
8. Your healthy vegetable salad is ready. Serve and enjoy!
