Write an answer to **one** of the questions **2–5** in this part. Write your answer in **140–190** words in an appropriate style.

From: Maria
Subject: English course – activities

Hi!

I'm looking forward to the English course we've decided to do! There are classes in the morning and activities in the afternoon. We need to decide whether we do indoor activities, like swimming, or outdoor activities, like horse riding. What do you think we should choose? What kind of activities do you like best?

See you soon!

Maria

Subject: Re: English course – activities

Hi Maria,

Thanks for your email! I'm really excited about the English course too. It sounds like a great chance to improve our English and have some fun at the same time.

As for the activities, I think we should go for outdoor ones. Horse riding sounds amazing! I love being outside and trying new things. It would be fun to spend the afternoon doing something active after the morning classes.

Swimming is great too, but I usually swim at home, so it would be more exciting to do something different during the course. Also, outdoor activities will help us relax and enjoy nature after studying.

What do you think? Are you good at horse riding? I've only done it once, but I'd love to try again!

Can't wait to see you soon!

Take care,
