

The Paper Bag Princess

Introduction (ແພັນຫຼັກເອງ)

Good morning, judges and friends. My name is Artipak Worrakanjanakul, a student from Matthayom 1/9 Kamphaeng Saen Wittaya School. Today, I will tell you the story of The Paper Bag Princess — a story about a clever and brave princess who teaches us a very important lesson

• Characters: Narrator, Princess Elizabeth, Dragon, Prince Ronald

[Narrator]

Once upon a time, there was a beautiful princess named Elizabeth. She lived in a big castle and wore beautiful princess clothes. She was going to marry a prince named Ronald, who was handsome but a little... full of himself.

[Elizabeth] (smiling)

"I'm so excited to marry Prince Ronald. He's perfect!"

[Narrator]

But one day... a terrible DRAGON came!

[Dragon] (roaring)

"ROOOOAR!"

"I will smash your castle and burn everything with my fiery breath!"

[Narrator] : The dragon burned the castle, destroyed Elizabeth's clothes, and kidnapped Prince Ronald!

But Elizabeth was not afraid. She looked around... and found only a paper bag that wasn't burnt.

She put it on and said...

[Elizabeth] (confident) : "I don't need fancy clothes to be brave. I'm going to rescue Ronald!"

[Narrator] : She followed the dragon's trail and came to a big cave.

[Elizabeth] (shouting) : "Hey, Dragon! Come out here!"

[Dragon] (tired voice) : "Go away! I've eaten eleven princesses today. Come back tomorrow!"

[Elizabeth] : "But you're the smartest and strongest dragon ever! Can you burn ten forests with one breath?"

[Dragon] : "Of course! Watch this!" 🔥 FWOOOOSH! 🔥

[Narrator] : The dragon burned ten forests and started to get tired.

[Elizabeth] : "Wow! Can you fly around the world in ten seconds?"

[Dragon] "Easy!"

WHOOSH WHOOSH WHOOSH! (back, breathing hard) "I'm so... tired..."

[Narrator] : And then... the dragon fell asleep! Elizabeth quietly entered the cave... and found Prince Ronald.

[Ronald] (looking annoyed) : "Elizabeth! What are you wearing?! You smell like smoke, and your hair is messy! You're not dressed like a real princess!"

[Elizabeth] (firmly) : "Ronald, your clothes may be nice, but you are a bum!"

[Narrator] : And Elizabeth didn't marry Ronald. She walked away — happy, strong, and proud.

Moral of the Story

Don't judge people by their appearance. True strength comes from courage, not clothes.
