switch, was trying, flight, paid, late, airplanes, gate, tried, had, could, listened, mattered, would

Can we pretend that _____ in the night sky are like shootin' stars
I _____ really use a wish right now, wish right now, wish right now (CHORUS 2x)

Yeah, yeah I could use a dream or a genie or a wish
To go back to a place much simpler than this
'cause after all the partying and smashing and crashing
And all the glitz and glam and the fashion
And all the pandemonium and all the madness
There comes a time when you fade to the blackness
And when you're staring at the phone in your lap
And you hoping but them people never call you back
But that's just how the story unfolds
You get another hand soon after you fold
And when your plans unravel in the sand

What _____ you wish for, if you _____ one chance?

So airplane airplane sorry I'm _____
I'm on my way so don't close that _____
If I don't make that then I'll _____ my _____ and
I'll be right back at it by the end of the night

(Repeat CHORUS)

Yeah yeah somebody take me back to the days
Before this was a job before I got _____
Before it ever _____ what I had in my bank
Yeah back when I _____ to get a tip at subway
And back then I was rapping for the hell of it
But nowadays we rapping to stay relevant
I'm guessing if can make some wishes out of airplanes
Then maybe oh maybe I'll go back to the days
Before the politics that we call the rap game
And back when ain't nobody _____ to my mix tape
And back before when I _____ to cover up my slang
But this is for the Decatur what's up Bobby Ray
So can I get a wish to end the politics
And get back to the music that started this ***

So here I stand and then again I say
I'm hoping we can make some wishes outta airplanes
(Repeat CHORUS)

I could really use a wish right now
I, I, I could really use a wish right now
Like, like, like shootin' stars
I, I, I could really use a wish right now
A wish a wish right now
