Now and then, I think of when we were _____
Like when you said you felt so _____ you could _____
Told _____ that you were _____ for me
But felt so _____ in your _____
But that was love, and it's an _____ I still remember
You can get addicted to a certain kinda sadness
Like resignation to the end, always the end
So when we found that we could not make sense
Well, you said that we would still be friends
But I'll admit that I was glad it was over
But you didn't have to _____ me _____
_____ like it never happened and that we were nothin'
And I don't even need your love
But you treat me like a stranger, and that feels so rough
No, you didn't have to _____ so low
Have your friends _____ your records and then change your number
Guess that I don't need that, though
Now you're just somebody that I used to know
Now and then, I think of all the times you _____ me _____
But had me believin' it was always somethin' that I'd done
But I don't wanna live that way
Readin' into every word you say
You said that you could _____ it _____
And I wouldn't catch you _____ _____ on somebody that you used to know
But you didn't have to _____ me _____
_____ like it never happened and that we were nothin'
And I don't even need your love
But you treat me like a stranger, and that feels so rough
No, you didn't have to _____ so low
Have your friends _____ your records and then change your number
Guess that I don't need that, though
Now you're just somebody that I used to know
