I like December. It's Christmas time! I celebrate this holiday with my family.

Two weeks before Christmas my brother and I write letters to Santa Claus. We all decorate the Christmas tree and the house. We hang our Christmas stockings with presents. I love getting presents!

On Christmas day my mum cooks Christmas dinner and I help her in the kitchen. We usually have turkey and pudding for Christmas dinner. I love Christmas pudding! In the evening we sit together, eat yummy food and pull Christmas crackers. Then we watch TV and chat. It's so nice and funny!
