Hello! I'm Quin.

Today, I have got my lunchbox. Let's open it!

I have got an apple. Apples are fruits and have a lot of vitamin C. I have got some carrots. Carrots are vegetables. They are good for my eyes. I have got some pasta and chicken. Pasta is grain, and chicken is protein. They help me grow strong and fit.

I haven't got any candies. They have a lot of sugar. Sugar is bad for my teeth. I haven't got any chips. Chips are salty and greasy. They are not good for my body.

My lunchbox is healthy and delicious! What have you got in your lunchbox?
