I've been on this road too long

I don't know where it went *wrong / gone / strong*

I've been trying hard to hold

On to all the things I *feel / fear / hear*

You give me all these precious things
I don't deserve, but still you *leave / breathe / stay*
Please don't take them all *away / today / anyway*
'Cause I'm afraid of *choosing / proving / losing*
The beautiful things you gave
