# Unit 1: Family life

## Lesson 6: Listening

### Task 1: Prediction

Before listening, choose two things you think Hieu will talk about.

Taking about his studies

Sharing weekly routines

Spending time with family

Describing family supports

### Task 2: True or False

Sentences	T/F
Hieu says that his achievements results from his family's support.	
Hieu's parents have a strong knowledge of Physics.	
When Hieu faces difficulties, his parents often encourage and comfort him.	
Hieu describes his brother primarily as a teacher.	
Hieu's family routines are scheduled weekly despite everyone's busy life.	

### Task 3: Listen and complete the chart (Use no more than 3 words for each blank)

Topic	Detail
Family support	They create _____ to spend _____ together.
Parent's help	They _____ and listen to him.
Brother's role	He shares his _____ and is always there when needed.
