

Saja Boys - Your Idol (KPop Demon Hunters O.S.T)

Pray for me now (x9)

I'll be your idol

Keeping you in check, keeping you obsessed

Play me on repeat, endlessly in your head

Anytime it hurts, play another verse

I can be your sanctuary

Know I'm the only one right now

I will love you more when it all burns down

More than power, more than gold

Yeah, you gave me your heart, now I'm here for your soul

I'm the only one who'll love your sins

Feel the way my voice gets underneath your skin

Listen cause I'm

Preaching to the choir

Can I get the mic a little higher?

Gimme your desire!

I can be the star you rely on (You rely on)

Intoxicated with my ecstasy, yeah, you can't look away

Don't you know I'm here to save you

Now we runnin' wild

Yeah, I'm all you need, I'mma be your idol

[Baby, Abby, Romance]

Uh, shining fame, keep shouting, I'm your idol

Thank you for the pain cause it got me going viral
Uh, yeah, a fever that won't go away, making you a believer
I was born for you, only your idol
Don't let it show, keep it all inside
The pain and the shame, keep it outta sight
Your obsession feeds our connection
So right now give me all your attention

You know I'm the only one who'll love your sins
Feel the way my voice gets underneath your skin

Listen cause I'm
Preaching to the choir

....

Be your idol
Living in your mind now
Too late, cause you're mine now
I will make you free
When you're all a part of me
