Jonathan	I love areas that are covered in snow and ice because I like to play with snow. That is why I love to visit cold places. I am not good with English, so I always travel with a friend. Plus, I can also save some money because we can each help pay for the hotel. I must plan my trip carefully because I am working. I visit new places just to try their food.
Fairuz	I like to travel to places that has hills because I like to hike. I have my own group to travel so that we can help each other during the hike.
