A Visitor in the attic!

It was a warm summer's evening. Sam was looking for his grandfather's old violin. He was very excited! He wanted to take it to a second-hand shop to sell it and get some money. So, he went up to the attic to find it.

The attic was dark and creepy. Sam was scared but he wanted to find the violin. He was looking in an old wardrobe when he heard a strange noise. It was coming from behind some boxes near an open window. Sam went near the boxes and suddenly, he saw two big eyes! He thought it was a ghost. He was frightened and screamed!

As soon as Sam's mum heard him, she ran up to the attic.

She switched on the light and they both saw something amazing.

A beautiful white owl was sitting on Sam's grandfather's violin!
