3 **Read about these 5 people. Their descriptions use simple adjectives. Can you rewrite some of the words using better words we learned?**

Sasha is a **nice** girl who likes spending time with people. She often invites friends to her house and is very **friendly**. Sasha is also **nervous** before tests and worries too much. She sometimes feels she's not good enough. But she always hugs her friends when they feel sad. Everyone says she's really **kind**.

nice - _____, **friendly** - _____ , **nervous** - _____, **kind** - _____

Leo always wants to be the best. He studies hard and wants to get the highest grades. He also plays football and hates losing. Sometimes he gets angry when others win. He likes to tell other kids what to do. But he's also **smart** and knows a lot about animals.

smart - _____

Emma loves drawing and writing stories. She has many creative ideas and can play by herself for hours. She is also **shy** and doesn't like speaking in front of the class. Sometimes she feels bad if someone laughs at her. She's very **emotional** and cries easily. But she's always honest and tells the truth.

shy - _____, **emotional** - _____.

Max is very **grown-up** for his age. He can cook simple meals and takes care of his younger brother. He always does his homework and never forgets his things. His friends know they can trust him. But Max doesn't like when someone tells him what to do. He often **argues** with adults and teachers.

grown-up - _____, **argues** - _____

Mia has a big smile and everyone likes her. She always makes jokes and knows how to make people laugh. But sometimes she changes her mood quickly. One minute she's happy, the next she's angry. She doesn't like waiting and gets angry if something is slow. She also wants things to go her way all the time.
