Study the information carefully and choose the best answer A, B or C. For each question, mark your answer on the answer sheet.

A Famosa is among the oldest European architectural remains in Southeast Asia. It has survived for hundreds of years. 'A Famosa' means 'The Famous' in Portuguese. The fort was built by the Portuguese in 1511. Over time, the fort expanded and turned into a Portuguese colony. The fort changed hands many times after that, from Portuguese to Dutch and ended with the control of the British, who decided to demolish it. But, a few parts of the fort were left untouched and underwent reconstruction.

- 1 Based on the extract, which of the following is **true**?
- A A Famosa was built in Portuguese.
  - B The fort was completely destroyed.
  - C The fort has been standing for centuries.
