Worksheet 2: Listen to the audio about “Khmer misconception” and arrange the situation.

	Someone says Thai culture was transferred From Cambodian elites over last years.
	If it all started with Cambodia why hasn’t Cambodia built the same recognition.
	Cambodia clung to the past crying about being copied.
	“One preserved the past, the other built a future.”
	Let’s hit that with reality. If Cambodia was transferring so much, why didn’t they keep it.
	Thailand didn’t just receive, they created.
	Thai royal courts evolved Thai Martial arts become global.
	Siam was rising while Cambodia relied on colonial powers to survive.
	Cambodia wasn’t the only influence India Java and China all shaped the region. That’s history not theft.
	Thailand took influence and turned it into power.
	Credit where it’s due but stop pretending, it was all handed over.
