Next month I'm going to Japan! I'm arriving in the south, so first I'm going to spend the night (1) \_\_\_\_\_ in Fukuoka. My (2) \_\_\_\_\_ says it's a vibrant city, so I plan to do a bit of (3) \_\_\_\_\_ there before heading north. Then I'll take the train to Kyoto, where I'll stay in a traditional (4) \_\_\_\_\_ for the night. The next day, I'm hoping to rent a bicycle to explore the city's temples. I'll keep all my things in a (5) \_\_\_\_\_ so I can move around easily without a heavy (6) \_\_\_\_\_. From Kyoto, I'll travel to Tokyo, stopping at a famous (7) \_\_\_\_\_ along the way, where there's a (8) \_\_\_\_\_ pointing towards Mount Fuji.
