Hi, I'm Linda. I'm in the sixth grade. Today is my first day at secondary school. In the morning I put on my new uniform and get my new bag.

My best friend and I walk to school together. We are both very nervous and excited. When we get school, we are shown into our classroom with our new teacher. It is quite scary because I don't know most of the children. Then we go to our first lesson. We have lots of different subjects and the lessons are really fun. My favourite subjects are art and English.
