

TOPIC: MY DAILY ROUTINE

SKILL: READING COMPREHENSION

Today, I'm going to talk about my daily routine. My routine is different on weekdays and weekends. I'll tell you about my routine on weekdays, so I normally wake up at about 6 or 6:15 am, I like waking up early. I don't like getting up late, when I wake up, the first thing I do is read my Bible. Then, I study languages for a little while currently I'm studying Indonesian. I like study in the morning because I feel motivated other people prefer studying in the evening.

Do you study in the morning, afternoon or evening? So, after I study I usually eat some fruit this is my first food of the day, then I start my work I usually start working at 7:00 a.m., most other people start at 8 a.m. or 9 a.m. I like starting early though. I'm English teacher and I teach many students, I have different students every day, some days I have many classes and other days I have fewer classes most of my students are from Brazil and Russia but I have students from many other countries too every day I talk to people from all over the world this is really fun. I love my job, so during my workday I have some breaks some times I have 30 minutes break between classes during my breaks I eat, study and hang out with my wife, my last class usually ends at 4:30 or five p.m.

Many Americans get off work at five PM. After I get off work I eat dinner my wife cooks dinner every weekday so we eat at home I'm always hungry when I finish work in the US people eat dinner early like at 6 PM. This is very common in other countries people eat dinner late like 9 pm. I don't like this for us dinner is the biggest meal of the day we eat a lot for dinner my wife and I eat meat, vegetables and other food. Some days I exercise in the evening too. I don't exercise every day only some days I should exercise more though after exercise and eat dinner I eat dessert I normally have milk and cookies I love milk and cookies after dessert I study my languages more then I spend time with my wife lastly I take a shower, brush my teeth and get ready for bed I usually go to bed at 10 pm.

So that my normal routine on weekdays I like to have a consistent routine, I plan my days and I try to follow my plan some people don't like planning their days. They prefer to do different things every day I like doing different things too, but I like having a general plan to follow if I don't have a general plan I feel lost I like having a daily routine. However, on the weekends I do many different activities, my weekends are very different from my weekdays, but I always wake up and go to bed at the same time every day that doesn't change I like to start and end every day at the same time.
