Not able to join a camping trip

I am not be able to join you for the camping trip (0) that coming weekend. My younger brother was recently involved in an accident (1) nearest our house. He was taken to the hospital. The doctor told us that he (2) sustaining a small fracture on his right leg. He would have to stay in the hospital for at (3) last a few days. According to my brother, a white van had knocked him (4) up just as he was turning left into our house. He was (5) fling some ten metres away and his bicycle was a total wreck. My brother was in great shock and initially we thought he was injured seriously. The (6) van's driver came down and offered to take him to the hospital. He was obviously (7) on the wrong as my brother said he did signal that he was turning left. In (8) an evening, I have to take food to my brother. I do hope you enjoy yourself on the camping trip.
