

Heal the World by Michael Jackson

There's a place in your heart
And I know that it is love
And this place could muchthan
tomorrow
And if you really try
You'll find there's no need to cry
In this place, you'll feel there's no hurt or
.....

There are ways to get there
If youenough for the living
Make a little space
Make a better place

Heal the world
Make it a better place
For you and for me and
human race
There are people dying
If you care enough for the living
Make aplace for you and for me

If you want to know why
There's a love that cannot lie
Love is strong, it only cares for
giving
If we try, we shall see
In this....., we cannot feel
Fear or dread, we stop existing and start
living

Then it feels that always
Love's enough for us
Make a better world
Make a better world
.....the world

Make it a better place
For you and for me and the entire
There are people dying
If you care enough for the living
Make a better place for you and for me

And the dream we would
Will reveal a joyful face
And the world we once believed in
Will shine again in
Then why do we keep strangling life
Wound this earth, crucify it's soul
Though it's plain to see, this world is
Be God's glow

We could fly so high
Let ournever die
In my heart I feel
You are all my brothers
Create a world with no fear
Together we'll cry happy tears
See the nations turn their swords into
plowshares

We could really get there
If you cared enough for the living
Make a little
To make a better place
