

## A change for the better...

Sally and Peter Green both used to work \_\_\_\_\_ teachers in a school in Brighton. After forty years, the couple retired from teaching and moved \_\_\_\_\_ Hungary. They were both tired of the stresses \_\_\_\_\_ modern-day life and wanted to experience \_\_\_\_\_ different, so they bought a farmhouse \_\_\_\_ Tolna county. The farmhouse \_\_\_\_\_ located outside the picturesque village of Váralja. It is surrounded \_\_\_\_\_ several acres land and forests. \_\_\_\_\_ the help of their friendly neighbours, Sally and Peter have started producing their own fruit and vegetables. Their lifestyle is different \_\_\_\_\_ what it used to be, \_\_\_\_\_ they don't regret their decision. They are busy \_\_\_\_\_ everyday chores and their days \_\_\_\_\_ now spent working mostly \_\_\_\_\_ the farm. Sally tends \_\_\_\_\_ her vegetable garden where she \_\_\_\_\_ organic produce. They sometimes go to the town Bonyhád to \_\_\_\_\_ some shopping or sell their produce \_\_\_\_\_ the market. Life takes place at a \_\_\_\_\_ slower pace, and they find they have time \_\_\_\_\_ really enjoy it. \_\_\_\_\_ they had known how much they'd like their new lifestyle, they \_\_\_\_\_ have moved earlier.
