

## Gap-fill Transcript

1

S: Welcome to the Film Academy in California, USA. Tyler and I are making a video about our summer school so you can learn about our \_\_\_\_\_ (1). What's happening, Tyler?

T: Lots of \_\_\_\_\_ (2) are working on their films. They're very busy. The courses started on Wednesday and today is Friday, so students know how to make a good film. They want to be ready for the big film \_\_\_\_\_ (3) next Tuesday.

2

S: So, we're walking around the school now. Actors are working in lots of the \_\_\_\_\_ (4). What are these people doing, Tyler?

T: They're making a family drama in the \_\_\_\_\_ (5) ... And here's a group of people. They're making a kung fu film on the \_\_\_\_\_ (6)! I think some people are filming an animation in the \_\_\_\_\_ (7), too!

3

S: Now we're out in the \_\_\_\_\_ (8). This looks like a dance film, I think. \_\_\_\_\_ (9) is playing.

T: The name of this film is Sunny Day.

S: How many people are dancing in this film? ... There are five \_\_\_\_\_ (10). They're dancing on the \_\_\_\_\_ (11)!

**4**

S: Where are we now?

T: We're going to the \_\_\_\_\_ (12) because David, Harry and Robert are making animation films there.

Look, I can see some small \_\_\_\_\_ (13). There's a man in a \_\_\_\_\_ (14), there's a big \_\_\_\_\_ (15) ... and a sea \_\_\_\_\_ (16)!

S: This is really cool. Robert's making an animation about the \_\_\_\_\_ (17) – and the lake is the sea.

Brilliant!

**5**

T: Hurry up! It's six fifteen now. We are watching an advert for an old film. Our film starts in thirty minutes, at six forty-five p.m.

S: I'm here! But there are so many \_\_\_\_\_ (18)... Are you sitting in the town \_\_\_\_\_ (19) near the \_\_\_\_\_ (20)? I can't see you!
