ancient exciting huge light ordinary scary useful valuable

It's always [1]_____ when you find something strange on a beach. I was walking on a beach a few years ago when I found a [2]_____ number of bananas – there were thousands of them! I think they'd fallen off a ship.

I once found twenty toy ducks on a beach near me. They were just [3]_____ yellow plastic ducks, but it was really funny to see them there. It seems they came from a ship that sank, and of course because they're very [4]_____ they just floated on top of the water and ended up on the beach.

I keep hoping I'll find something [5]_____ on the beach near me, but in fact I don't think I'll ever find anything to make me rich. I did once find a wooden box that's quite [6]_____ for keeping things in.
