

HIV & AIDS Vaccine

1. What choices did your character make in the board game?

	Contract HIV from a used needle. 			Contract HIV from unsafe sex practices. 	
	go to the hospital and start taking HIV medication. 			Don't go to the hospital and the cold gets worse. 	
	Keep taking the medication and start to feel better. 			Don't take medication and HIV turns into AIDS. 	

2. Do you think your character made healthy choices?

Yes	No
------------	-----------

3. Why did / didn't your character make good choices?

--
