

Match the pictures with the phrases.

- I twisted my ankle.
- I cut my hand.
- I broke my leg.
- I burned my finger.
- I pulled a muscle.
- I bumped my head.
- I got a blister.
- I got a splinter.

Look!

Use possessive adjectives when talking about a person's body parts, not *the*.

She twisted her ankle. NOT She twisted the ankle.

- **What advice could you give to any of these problems?**
- **What do you do when you have the health problems of this exercise?**

What do you do when you burn your hand?

I put my hand under cold water.
