Belle and the Beast

Beast: Belle, what will you do tomorrow?

Belle: I will go and see my father. I miss him.

Tea Cup: Oh, please come back soon.

Belle: Okay.

Belle: Father, I missed you.

Father: Belle, I missed you, too.

What did you do at the palace?

Belle: I made many friends, and we had a party together.

Father: How was the party?

Belle: It was great. I danced with the Beast.

Tea Cup: Welcome back, Belle.

Beast: Did you have a good time with your father?

Belle: Yes. We went to the beach and rode in a boat. It was fun.
