Figurative Language in The Treasure of Lemon Brown

As you read, look for examples of figurative language in the story. Write down the quotation, identify the type, and explain the effect on the reader.

In the 'Effect on Reader' column, think about:
- What picture does it create in your mind?
- What mood or feeling does it give?
- What does it help you understand about the character, setting, or theme?

Use the example provided help you.
