The following text is for questions number 11-20

Hi, everyone! I'm Jacson a twelve year old from portugal. I currently reside in Aveiro with my parents and two brothers. Just like everyone else, i have various hobbies that bring joy and relaxation to my life. One of my indoor pastimes is collecting coins, a fascinating and personal interest of mine,

When it comes to outdoor activities, i find great pleasure in riding my bike. The feeling of the fresh air againts my face and the wind tousling my hair is absolutely invigorating. My favorite place to indulge in this activity is the park. It offers a safe enveronment, allowing me to enjoy my bike rides without the worry of bumping into people.

My love for cycling began when i was just a little boy. Riding my bike has become a daily routine. Especially after school. I can't imagine a day without hopping on my bike and taking a ride
