6. Reading

Text 1:

My Hobby: Reading

I love reading books. It's one of the hobbies that I enjoy the most. Whenever I have free time, I spend it on reading. I started reading when I was six years old. My favorite genres are science fiction and fantasy. I also enjoy reading history books. Reading helps me relax and learn new things. I often borrow books from the library, but I also have a small collection at home. Reading has become a part of my daily routine, and I feel that it helps me understand the world better.

1. When did the author start reading?
 - A. At the age of 6
 - B. At the age of 7
 - C. When they were in high school
 - D. Last year
2. What is one of the author's favorite genres?
 - A. Romance
 - B. Mystery
 - C. Science fiction
 - D. Horror
3. Where does the author usually get books?
 - A. From friends
 - B. From the library
 - C. From a bookstore
 - D. Online
4. Why does the author like reading?
 - A. Because it helps them write better
 - B. Because it helps them understand the world
 - C. Because it's a fun hobby
 - D. Because it's easy to do
5. How does reading affect the author's daily life?
 - A. It takes too much of their time
 - B. It helps them relax
 - C. It makes them tired
 - D. It takes up their entire day

Text 2: Healthy Activities

Many teenagers are concerned about their health and try to stay fit by doing various activities. Some of them like jogging in the morning, while others prefer joining sports clubs. Regular exercise not only helps them maintain a healthy weight but also boosts their mood. Apart from that, they also focus on eating healthy, including more fruits and vegetables in their diet. Staying active and eating right are essential habits for a healthy lifestyle.

1. What do teenagers try to do to stay fit?
 - A. Sleep more
 - B. Do exercises
 - C. Read books
 - D. Play video games
2. What is one activity that some teenagers do in the morning?
 - A. Walking
 - B. Jogging
 - C. Cycling
 - D. Swimming
3. How does regular exercise help teenagers?
 - A. It makes them taller

- B. It boosts their mood
- C. It makes them smarter
- D. It helps them do better at school

4. What do teenagers include more in their diet?

- A. Meat
- B. Sweets
- C. Fruits and vegetables
- D. Junk food

5. Why is staying active important?

- A. Because it helps them concentrate
- B. Because it is essential for a healthy lifestyle
- C. Because it is a fun activity
- D. Because it is good for school performance

Text 3:

Volunteering at School

At Green Valley School, students are encouraged to participate in community activities. One of the most popular activities is volunteering. Many students volunteer to help the elderly or work at local shelters. Some of them even take part in organizing fundraising events. These activities not only benefit the community but also help students develop important life skills such as teamwork, communication, and responsibility. Students who volunteer regularly say that they feel more connected to their community and have a better understanding of the needs of others.

1. What is one of the most popular activities at Green Valley School?

- A. Studying
- B. Volunteering
- C. Sports
- D. Playing games

2. Who do students help when they volunteer?

- A. Children
- B. The elderly
- C. Teachers
- D. Friends

3. What do some students do at local shelters?

- A. Organize parties
- B. Work
- C. Study
- D. Play

4. What life skills do students develop from volunteering?

- A. Teamwork and communication
- B. Math and science
- C. Singing and dancing
- D. Writing and reading

5. How do students feel after volunteering regularly?

- A. More connected to their community
- B. More tired
- C. Less responsible
- D. More isolated
