

AM I A GOOD TEENAGER?

Hi! My name is Rita and I'm 15 years old. I'm trying to be a good daughter, but no matter how hard I try, my parents never seem to be satisfied. They think I should be a better daughter. They think I should eat healthier food, I should wear nicer clothes, and I should get better grades. But not only that, I shouldn't wear makeup, my room should be neater, and my friends should be politer when they come to visit.

You know... it isn't easy being a teenager.

1) Reading comprehension. True or false
