Exercise 4

Read the text. Answer the questions.

Hi Tom,
I heard you went to the farm! That sounds fun.

My favorite farm animal is the cow. A cow is a big animal. It has got four legs, a long tail, and two horns. It eats grass, so it is a herbivore. A cow can't lay eggs. It gives birth to a baby cow, called a calf. I like cows because they can give us milk.

How about you? What is your favorite farm animal?
See you soon!
