Task 2: Read and write True/False.

Last weekend, I watched *Finding Nemo*, an animated adventure film by Pixar. The story is about a small clownfish named Nemo who gets lost in the ocean. His father, Marlin, goes on a long journey to find him, with the help of a forgetful but funny fish called Dory.

I really enjoyed this film because the animation was colorful and beautiful. The characters were very interesting, and the story was both exciting and touching. My favorite scene was when Marlin and Dory swam through a field of jellyfish—it was dangerous but also very funny.

I think this film is perfect for children and families. It teaches us about love, bravery, and never giving up. I would give it 5 stars!
