'One game I am loving is backgammon. You are throwing the dice and then you move your pieces around the board. It is seeming quite easy, but in fact you are needing to be quite careful. When your piece lands on one of the other person's pieces, you are taking it off the board and you send it back to the beginning. You are winning by getting all your pieces to the end and off the board. Some people are preferring chess, but I am not understanding that game. Right now, I wait to have a game with my brother. He does his homework. I usually win, so I think he doesn't want to play a game with me!'
