

I feel so unsure  
As I take your hand  
And lead you to the dance  
As the music dies  
Something in your eyes  
Calls to mind a silver  
And all its sad goodbyes

I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to  
I know you're not a fool  
I should've known better than to cheat a friend  
And waste the chance that I'd been given  
So I'm never gonna dance  
The way I danced with you

Time can never mend  
The careless whispers of a good friend  
To the heart and  
Ignorance is kind  
There's no comfort in the  
Pain is all you'll find

I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool  
I should've known better than to cheat a  
(Should have known better, yeah)  
And waste the chance that I'd been given  
So I'm never gonna dance again  
The way I danced with you

Never without your love

Tonight the music seems so  
I wish that we could lose this crowd  
Maybe it's better this way  
We'd hurt each other with the things we want to say  
We could have been so good together  
We could have lived this dance  
But now who's gonna dance with me?  
Please stay
