Questions about the past

Fill in the blanks.

Greg: What did you do last weekend? (do) Did you go to Sandra's party, in the end? (go)

Sara: No, you won't believe it, but Daniel called me at the last minute.

Greg: No way! Did he apologize for what happened? (apologize)

Sara: Of course he didn't. He acted like it never happened at all.

Greg: You didn't meet him, did you? (meet)

Sara: I wish I could say no.

Greg: Ugh! Why did you even talk to him at all! (talk) He is so disrespectful of your time.

Sara: I know! But I couldn't say no for some reason. My brain said I should but that's not what I said. (can)

Greg: I wish you would realize that you deserve someone better. Anyway, tell me what happened. (happen)

Sara: We met to play tennis in the park. I figured even if it was terrible to see him, I could get some exercise.

Greg: Ha! Well planned! How did it go? (go)

Sara: Actually, it was really nice. He apologized and said if I wanted, we could start over as friends and see what happens.

Greg: We shall see! Did you make plans to see him again? (make)

Sara: Umm, he's joining us for coffee in five minutes.

Greg: Ugh. Perfect. Hahaha.
