

# Numb

I'm **tired sad** of being what you want me to **be me**  
Feeling so faithless, **cost lost** under the surface  
Don't know **where what** you're expecting of me  
Put under the pressure **of all** walking in your shoes  
Every step that I **take make** is another mistake to  
you

(Caught in the undertow, just caught in the  
undertow)

I've **become became** so numb, I can't feel **she you**  
there

Become so tired, so much **for more** aware  
I'm becoming **that this**, all I want to **do you**  
**Are Is** be more like me and be less like you  
Can't you see that **you're you are** smothering me?  
Holding too tightly, afraid to **lose use** control  
'Cause everything **is that** you thought I would be  
Has fallen apart right in front of **they you**  
Every **slep step** that I take is another mistake to  
you

(Caught in the undertow, just caught in the  
undertow)

And every second **you I** waste is more than I can  
take

I've become **so that** numb, I can't feel you there  
Become so tired, so much **for more** aware  
**you're I'm** becoming this, all I want to do  
Is be more like me and **do be** less like you
