Extra Training

Listening Task 1720

You will hear a person talking about the voluntary work they do.
For statements 1-7, decide if each statement is 1-True, 2-False or 3-Not stated.
You'll hear the recording twice.

1. To become a search and rescue volunteer you need ____

1. an eagerness to do the job.
2. entry-level qualifications.
3. outdoor experience.

2. Past search missions are recreated ____

1. to compare with real rescue missions.
2. to help rescue workers prepare emotionally for rescue missions.
3. to help rescue workers improve their abilities.

3. Steve gets angry because people ____

1. don't know how to cope in emergencies.
2. don't think about what they should take with them.
3. don't know how to find their way.

4. The most useful electrical item to take with you in the mountains is ____

1. a waterproof torch.
2. a GPS device.
3. batteries.

5. Steve says people should ____

1. drink water from streams.
2. collect rainwater.
3. take water with them.

6. Steve's job these days involves ____

1. working longer hours.
2. greater responsibility.
3. pushing people to work faster.

7. According to Steve, climbing is a sport ____

1. for everyone to enjoy, provided that they are sensible.
2. for serious climbers only.
3. for those who enjoy taking risks.
