Prezi Янина Шевчук

The slide features a central white square with a purple border containing school-related icons: a white pen, a red book, a blue backpack, a green chalkboard with the equation $1 + 2 = 3$, a yellow pencil, and a brown desk. To the left of the square is a vertical purple bar with a blue double-headed arrow icon and a vertical stack of three pink speech bubble icons. The background of the slide is a dark blue space with white stars and a purple arc of dots on the right side.
