I. **Listen** and **number** according to the order that you hear.

1

II. **Listen** to the dialogue and **complete** with the word, or the number.

Hello everyone, and welcome to Interesting Places with Alex! My name is Alex, and today I'm visiting a very interesting _____. Come with me, I want to show you what I see here.	1. glass
First, I see a big _____. It is round and black. It is made of _____, so it is strong and flexible.	2. chair
Next, there is a soft _____. I like it because it is made of cotton, and people usually wear it in _____ weather.	3. tyre
Oh, here is a clear _____ with water inside. It looks shiny, but I must be careful because glass can break easily.	4. statue
Now, look at that huge _____. It is very tall and heavy. And not far from it, I can see a _____. The castle is made of stone, and it looks very strong and old.	5. paper
On the table, I find some beautiful _____. They are very small, but they shine a lot because they are made of gold.	6. cold
Over there, I can see a warm coat. It is made of _____, and it looks perfect for the winter.	7. shop
Next to it, there is a white _____. cup. It looks so delicate and beautiful. And right beside it, I see some _____, which we can use to write or draw.	8. castle
Finally, I notice a big _____. It is heavy and strong, because it is made of wood.	9. rubber
This shop is amazing! I really like looking at all these objects and learning about the different materials. Thank you for joining me today in my little vlog, and don't forget: this was Interesting Places with Alex!	10. fur
	11. sweater
	12. porcelain
	13. earrings
