Listening Task 1732

You'll hear a conversation between two friends.
For statements 1-7, decide if each statement is 1-True, 2-False or 3-Not stated.
You'll hear the recording twice.

1. Sam hadn't heard about Buy Nothing Day before.
2. Buy Nothing Day organisers think shoppers should direct their attention elsewhere.
3. Sam learnt that underdeveloped countries make up 80% of the world's population.
4. Jane believes you cannot buy happiness.
5. Sam thinks Sunday trading is a good thing.
6. Sam found a definition of 'carbon footprint' in a dictionary.
7. Jane is no longer going to buy fruit and vegetables from the supermarket.
