

Just wakin' up in the mornin', gotta thank God
I don't know, but today seems kinda odd
No barkin' from the dog, no smog
And mama cooked the breakfast with no [redacted]
I got my grub on, but didn't pig out
Finally got a call from a girl I wanna [redacted]
Hooked it up for later as I hit the door
Thinkin', "Will I live another 24?"

I gotta go 'cause I got me a drop-top
And if I hit the switch, I can make the ass [redacted]
Had to stop at a red light
Lookin' in my mirror, not a jacker in sight
And everything is alright
I got [redacted] from Kim, and she can do it all night
Called up the homies, and I'm askin' y'all
"Which park are y'all playin' basketball?"

Get me on the court and I'm trouble
Last week, messed around and got a triple-double
[redacted] brothers every way like MJ
I can't believe today was a good day

Drove to the pad and hit the showers
Didn't even get no static from the [redacted]
'Cause just yesterday them fools tried to blast me
Saw the police and they rolled right past me
No flexin', didn't even look in a brother's direction as I ran the [redacted]
Went to Short Dog's house, they was watchin' Yo! MTV Raps
What's the haps on the craps?

Shake 'em up, shake 'em up, shake 'em up, shake 'em
Roll 'em in a circle of homies and watch me break 'em with the seven
7-11, 7-11, seven, even back door Little Joe
I picked up the cash flow
Then we played bones, and I'm [redacted] "Domino"
Plus, nobody I know got killed in South Central L.A.
Today was a good day
