

Name :

Class :

My School

My school is called Whitepearl Primary School. It is a big, grey wall building with a large playground. My classroom is on the second floor. It has 6 big windows and bright yellow walls. There are 20 desks and a big whiteboard. I like my teacher, Mrs. Anna. She is very kind. My best friend, George, is in my class. We sit together.

At my school, we have fun activities. We play football and basketball on the playground. I love to read in the library. I read many books there. There is also art class. Students can draw and paint in art class. They can draw animals, nature, and many things. My friends are very nice and they are helpful. I am very happy at my school.

Answer the following questions :

- 1 What is the name of the school?
- 2 What does the school building look like?
- 3 What is the teacher's name?
- 4 What activities does the student enjoy?
- 5 How many desks are in the classroom?
