

# Time to practice!

## NUMBERS 1-20

**Fill the missing numbers.** Completa los números que faltan, toca la bocina, escucha y repite.

|                                                                                     |    |  |    |                                                                                     |    |
|-------------------------------------------------------------------------------------|----|--|----|-------------------------------------------------------------------------------------|----|
| 1                                                                                   |    |  | 4  |  |    |
|   | 5  |  | 7  |                                                                                     |    |
| 10                                                                                  | 11 |  | 13 |                                                                                     | 15 |
|  | 16 |  | 18 |                                                                                     | 20 |
