II. Read the passage and write if the sentence is true (T) or false (F).

Community service is work done by a person or group of people that help others. It is often done near the area where you live, so your own community gets the benefits of your work. You do not get paid to perform community service, but get to learn a lot. Community service can help many different groups of people, even animals and the environment. Community service is often organised through a local group, such as a place of workship, school, or non-profit organisation, or you can start your own community service projects. Community service can even involve raising funds by donating used goods or selling used goods like clothes. Many people participate in community service because they enjoy helping others and improving their community.
